We can help make your fundraising easy & fun!

For 122 years and across four generations Tulloch has been crafting wines and experiences that reach beyond the bottle, helping passionate wine lovers Drink Better.

Now, we are very excited to bring our unique philosophy of Wine, Your Way to charitable organisations, helping to raise much needed funds via wine sales.

We have four options to choose from, with each one able to be arranged on site at your event, or tailored specifically to your groups needs and resources, delivering Wine, Your Way.

So if your charitable organisation includes people who enjoy great wine, then we have a fundraising package to suit you.

FUNDRAISING WITH WINE

Percentage of sales donated back

With over 25 wines on offer, we have a wine for everyone and we'd love to see them enjoyed for a great cause. All wines ordered from Tulloch during your fundraising campaign will result in a 20% donation back to the charity of your choice. We can come to your event and host a tasting of a select number of wines from our portfolio, or we can simply send an order form to your organisation or to your members on your behalf, with 20% of all wine sales donated directly back to your charity. These packages can be customised to your requirements and can include delivery of tasting notes, tasting format instructions and wines for tasting. Minimum orders apply for free tasting stock or attendance at your event.

Raffle & Auction prizes

Tulloch has a range of tasting experiences available at cellar door and we are happy to donate voucher/s for these for raffle and auction prizes. These vouchers can be used to accommodate up to 10 people for a private hosted tasting or wine experience at Tulloch Cellar Door. Please note we do not donate wine for raffle and auction prizes.

Charitable Alliances

This is a great way to create an ongoing revenue stream for your charity. We'll set up and administer a wine club just for your organisation, so your followers and members can enjoy Tulloch Wines as well as a host of other benefits year round, with 20% of all wine purchases donated back to your charity, special offers and event invitations. Get in touch with us and we'll show you how having your own wine club is a great way to raise money and drink better with Tulloch.

Wine for your event

Tulloch are proud supporters and sponsors of a range of fundraising events each year and this package will allow you a fantastic discounted rate on our wines for consumption at your event. Starting with discounts of 20% up to a maximum of 50% depending on the exposure, volume required, location and format of the event.
